

Perpetual is a full service UX, Design, and Development studio that can help deliver your vision. Use this sheet to explore some ideas for your startup or your next big tech venture. We'd love to see what you come up with and figure how we can bring your ideas to phone, web, or wherever else you can imagine!

Tweet a photo of your idea and tag us **@perpetualny** or email it to **ideakit@perpetualny.com**

Get thinking!
